The Advanced Diploma, approved by Quality and Qualifications Ireland (QQI) is a Special Purpose Award situated at Level 8 within the Irish National Framework of Qualifications (NFQ).

The Level 8 NFQ translates into Level 6 in the European Qualifications Framework (EQF) and to the First Cycle in the Qualifications Framework for the European Higher Education Area (QF-EHEA). For further information on educational compatibility within the:

-  European Union, consult Quality and Qualifications Ireland [here](#)
-  United States, consult the US Department of Education [here](#)
-  Countries represented by European Commission, the Council of Europe and UNESCO, consult the ENIC-NARIC Networks [here](#)

Optional Addition: Advanced Certificate in Supervision.

If you desire to receive advanced training in supervision, either because you like to dive deep and range wide or because you are engaged in forming spiritual directors, our Advanced Certificate in Supervision may be a great fit. We have designed this online program to dovetail with our Foundations in Supervision Certificate, so you may complete both trainings in the coming year. See our Advanced Certificate in Supervision brochure for more information.
